

475

FIELD COMMUNICATOR

TRADE-UP TODAY

The next generation of handhelds is here!

- Full-color graphical interface with charts, graphs, and gauges
- Quick boot-up and fast operating time
- Long-lasting Lithium-Ion battery that delivers days – not hours – of power
- Advanced field diagnostic capabilities

If you currently own either a 375 Field Communicator or a 275 HART Communicator, you can trade-up your existing communicator for a discounted 475 Field Communicator!

(See back for details.)

Act Now! This is a limited time offer.

475 FIELD COMMUNICATOR TRADE-UP PROGRAM

HOW TO TRADE-UP

Simply contact your Emerson sales representative. Tell them you would like to trade-up your existing communicator for a 475 Field Communicator.

With a 375 or 275 trade-in, you can purchase a standard HART® or FOUNDATION™ fieldbus 475 Field Communicator at a 20% discount from the list price.

- **Standard HART Model (part number 00475-3158-0001):**
Includes universal support for HART devices, *Easy Upgrade*, Lithium-Ion Power Module, Intrinsic Safety Approvals, Graphics, Bluetooth*, and Device Configuration Management (Equivalent to Model: 475HP1EKLUGMT)
- **Standard Fieldbus Model (part number 00475-3158-0003):**
Includes universal support for HART and FOUNDATION fieldbus devices, *Easy Upgrade*, Lithium-Ion Power Module, Intrinsic Safety Approvals, Graphics, Bluetooth*, and Device Configuration Management (Equivalent to Model: 475FP1EKLUGMT)

* where approved

NOT READY TO TRADE-UP YET?

If you are not ready to trade-up to a 475 Field Communicator yet, you can still upgrade your 375 Field Communicator to get more value from your existing investment:

- *Easy Upgrade* Renewal to ensure you have access to device drivers and system software updates for the next 3 years
- 1 GB Memory Upgrade so you have room for all the device drivers you need
- Lithium-Ion Power Module Upgrade to improve your battery life
- Additional Licenses (Graphics, FOUNDATION fieldbus, Device Configuration Management)

Details on the trade-up program and upgrades are available at www.fieldcommunicator.com.

Additional Options for the 475 Field Communicator:

- Protective Rubber Boot (part number 00475-0005-0005)
- Magnetic Hanger (part number 00475-0005-0004)
- Ruggedized 250 Ohm Load Resistor (part number 00275-0096-0001)
