

**MANUFACTURING DECLARATION
CALIBRATION INSTALLATION
NO. QAMV: 070-B**

We, Fisher Rosemount Flow
Groeneveldselaan 6-8
3903 AZ Veenendaal
The Netherlands

herewith declare that the periods of validity on our calibration installations are determined for the period of two years.

The validity periods are registered and controlled by means of the testequipment system.

This statement is only valid when submitted together with a certificate of the applicable calibration installation, issued by the Nederlands Meetinstituut.

Veenendaal, 24 September, 2002

Bert van Ginkel
Quality Supervisor
